SIGNATURE PROGRAMS

DAKABIN DRAGONS BASKETBALL ACADEMY

The Dakabin Dragons Basketball Academy is a signature program designed to develop high-quality school-aged basketball players while nurturing well-rounded young individuals.

Delivered both as a timetabled subject and through extracurricular training and competition, the program provides expert coaching, excellent facilities, and a supportive environment. With a focus on individual skill development, teamwork, and personal growth, the Academy helps students reach their full potential—on the court, in the classroom, and within the community.

DAKABIN AGRICULTURAL ACADEMY

Dakabin State High School offers a distinctive agricultural education experience, set on an 8-hectare working farm featuring two registered cattle studs (Australian Lowlines and Square Meaters), a registered Suffolk sheep stud, and a variety of modern facilities. Students engage in hands-on learning through cattle and sheep yards, hydroponic and aquaponic systems, chicken pens, worm farms, composting systems, and a range of agricultural machinery.

Since 1991, students have actively participated in breeding and showing livestock across Southeast Queensland, gaining real-world skills and experiences. The Agricultural Academy blends practical learning with academic knowledge, preparing students for future careers in agriculture and beyond.

PROGRAMS

FARM TO FORK

The Farm to Fork program at Dakabin State High School connects students with their local community by partnering with nearby primary schools to explore where food comes from and how it can be used. Through hands-on experiences like cheese, wine and jam making, students gain a deeper understanding of food production, sustainability, and the journey from paddock to plate. This engaging program fosters curiosity, practical skills, and a greater appreciation for local agriculture and healthy eating.

DANCE SQUAD

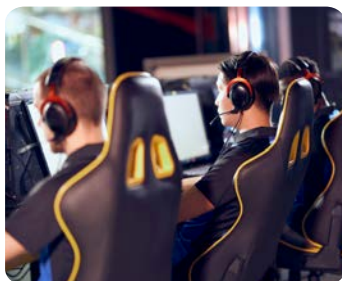

The Dakabin Dance Squad is a vibrant and energetic group that meets during lunchtime and after school to rehearse for a variety of dance showcases and competitions held throughout the year. Students also perform at key school events such as Celebration Parades, the Arts Showcase, and Awards Night.

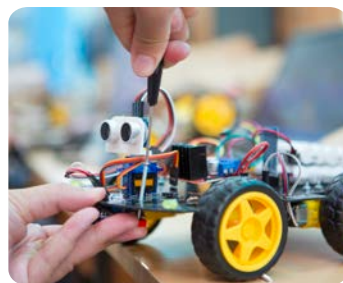

INSTRUMENTAL MUSIC

Dakabin State High School's Instrumental Music Program offers students the opportunity to learn orchestral strings, woodwind, brass, and percussion instruments through weekly group lessons with a qualified Instrumental Music teacher. Students are encouraged to join the Stage and Concert Bands, where they can further develop their performance skills.

CAFE

Our student-run Café at Dakabin State High School is a vibrant part of our Hospitality program, operating twice a week to serve freshly made coffees, milkshakes, and other treats. Managed by our Hospitality students, the Café provides hands-on experience in customer service, food preparation, and business operations, helping them develop practical skills in a real-world setting. It's a popular spot for staff and students alike, fostering community and showcasing the talents of our future hospitality professionals.

BEYOND BRONCOS GIRLS ACADEMY

Delivered by school-based staff from the Brisbane Broncos, this initiative provides in-school mentoring and support for Aboriginal and Torres Strait Islander girls. The program is designed to empower students to reach their full potential through regular engagement, cultural connection, and personalised guidance. It helps build confidence, resilience, and pathways to success both in and beyond the classroom.

Open before and after school, it will also provide recreational, cultural, and emotional support to enhance the existing services available to students.

This role helps young people navigate challenges such as school engagement, mental health, housing, and access to services, empowering them to build resilience and achieve their goals.
